

SAFETY REMINDER

In light of some recent incidents that could have potentially caused grave injury on the job, I would like to remind everyone that safety is our top priority here at Local 7. By taking your time to follow procedure and protocol, ensuring equipment and tools are in good working condition and utilizing available safety training we will not only keep one another safe but keep jobs running smoothly.

Remember, being careful costs nothing, carelessness may cost a life. If you have any questions or concerns regarding worksite safety, please contact your supervisor or steward. Safety isn't expensive, it's priceless.

UNION MONTHLY MEETING

Dear members,

At September's monthly union meeting, Brother Marc Cesta was approved by the membership to fill out the remaining term of the Business Agent. I look forward to working with Marc in his new roll providing Local 7 members with employment opportunities.

For October's monthly meeting, a discussion and secret ballot vote will take place to approve Brother Wayne McMahan to fill out the unexpired term of President. The Executive Board has already approved his nomination; see section 25 (b).

25 (b) If a vacancy in the Presidents office exists, the Vice-President shall temporarily perform the duties of the office of the president and shall remain chairman of the Executive Board until the office of the President has been filled. ”

-Ed Nadeau, Business Manager
