

Capital District Area Labor Federation Action Alert!

Forum: Employee Free Choice Act

What: Forum on the TRUTH about the
Employee Free Choice Act

Where: The Desmond Hotel

660 Albany-Shaker Road, Albany

When: Saturday, February 21st: 9:30am – 1pm

KEYNOTE SPEAKER: Congressman Paul Tonko

RSVPs are required for this event and **space is limited.**

To reserve your spot, please email Nicki Weiner at
nicki@cdalf.org or by calling: 518.452.0404.

Complementary Brunch will be served

The Employee Free Choice Act will:

- ✓ Protect workers who already have unions from having to fight just to keep their health insurance and negotiated pay by expanding the number of union workers.
- ✓ Build and strengthen the middle class—greater private-sector union density will provide a path to more funding for education, health care and public services, and raise living and working standards for all.
- ✓ Put real teeth in the laws meant to protect workers.

Labor Donated

Come show your support for the Employee Free Choice Act!
